Professional Summary

Highly motivated and detail-oriented Fullstack Web Developer with strong foundational training in front-end and back-end development. Proficient in building responsive and dynamic web applications using modern technologies. Completed a comprehensive 7-month development training and a 6-month internship at Melodia Coding Academy, focusing on building real-world projects with a collaborative approach.

Technical Skills

Front-End: HTML, CSS, Bootstrap, JavaScript, React.js

Back-End: Node.js, Express.js, MongoDB

Version Control: Git, GitHub

Database: MongoDB

Tools & Platforms: VS Code, Postman, npm, RESTful APIs

Training & Internship Experience

Fullstack Web Development Trainee

Melodia Coding Academy (2023 - 2024, 7 months)

- Trained intensively in fullstack development including both front-end and back-end technologies.

- Built responsive, scalable, and dynamic web applications using React, Node.js, and Express.

- Learned to integrate third-party APIs and optimize applications for performance.

Intern, Web Development

Melodia Coding Academy (6 months)

- Assisted in developing user-friendly interfaces and implementing RESTful APIs.

- Worked on real-time project collaboration and enhanced skills in debugging, testing, and deployment.

- Participated in team discussions, code reviews, and continuous improvement practices.

Projects

- E-Commerce Website: Built a full-stack online store with user authentication and payment gateway integration using React, Node.js, and Express.

- Portfolio Website: Personal portfolio built with HTML, CSS, and Bootstrap to showcase projects and skills.
